## SHARE News

Good morning SHARE members,

We hope you are all safe and healthy as we navigate this crazy time of our lives. We just wanted to let you know a little about what is going on with SHARE right now.

Unfortunately, like most events these days, our annual poker ride has been canceled. We are discussing the option of having it later in the year and combining it with our Take a Kid Mountain Biking event. Stay tuned for details.

And, while all trail work days are currently on hold, we were able to get some good work in before the COVID19 pandemic hit. We are looking forward to getting our hands dirty again as soon as we are allowed.

Check out the link below for some guidelines from IMBA on riding during this pandemic

## Riding During the Pandemic

### Trail Work

## Foothill MTB team

We were thrilled to have the local NICA teams join in on some trail work days earlier in the season. The Foothill MTB team joined us during our December trail work day in Santiago Oaks as part of their community service requirement.

## El Modena MTB team

El Modena high school MTB team joined us during our January trail work day at Santiago Oaks for some team building! Both these teams train in the Oaks and wanted to give back to their trails. And while the 2020 NICA season was canceled, we look forward to seeing what these kids can do next year!
