Spring Membership Drive

We hope you are all safe and healthy and making it through this COVID-19 pandemic! While we know this time in our lives is challenging for everyone, we have also come to realize that having #trailsclosetohome is more important than ever!

Our IMBA spring membership drive is happening now through the end of June. If you join or renew your membership, you will be entered to win one of 18 different prize packages! Including a Pivot Mach 5.5 with X01!

Your membership dollars go towards:

- Funding trail work days throughout Orange County and feeding the trail stewards
- Trail work tools and replacement of old or worn out tools
- Community events like the Poker Ride and Take a Kid Mountain Biking
- Office Expenses and Trailer Storage

Our club is 100% volunteer run. Your memberships are essential to keep our club going so that we can continue our efforts towards making a positive impact on mountain biking in Orange County.. We are beyond thankful for all your support, especially during this crazy pandemic that we are all going through. Stay safe and healthy and we look forward to seeing you on the trails soon!

Volunteer Spotlight

SHARE is run 100% off of volunteer efforts! This month's volunteer spotlight is Trail Boss Jon Kearley! Jon acts as SHARE MTB clubs Director of Park Reps. This task includes gathering park reports from each of our park liaisons, setting up trail work days in his local park (Santiago Oaks), and providing training to each of the other park reps on how to lead a trail work day. (We hope to get one of these trail training days on the calendar after the COVID-19 restrictions have been lifted).

Currently, Jon is looking for a few people to step up to be park reps in the following parks: Chino Hills, Caspers Wilderness, San Clemente Single Tracks (aka San Onofre State Park). If you are interested in doing this (or joining the fun for one of the other parks) please send him an email by clicking below. If you don't want to be "in charge" of a whole park, he is also recommending taking on one trail!

Here's some more info about Jon:

Riding my bike is a huge part of my life. Most of my friends ride bikes and I'm meeting new ones on the trail every day. I'm also addicted to trail work and trying to make our trails more Sustainable, Safe and Fun! In an effort to be a better rider, I am focused on picking safer lines, not faster ones. I never want to stop challenging myself and others. I look forward to seeing you out on the trails.
