Though 2020 has proven to be a very challenging year and things aren't moving forward as we might like it won't be this way forever. Trail Work plans have slowed to a crawl, but we will be ready when we are allowed to organize group events again. With the recent fires and trail closures the land will need time to heal but once that happens, we will be ready to help wherever needed.

Since we haven't been able to get together in person for our normal events (Poker Ride, Take A Kid Mountain Biking) this year, stay tuned to our Facebook Page this week for an interesting opportunity to have some fun on a bike and include the kids.

We will also be sending out the Executive Board member election for Vice President and Secretary email soon, you must be a current member to vote so click the link below to join.
